Introducing Braven HealthSM

As of **January 1, 2025**, Horizon Dental Traditional providers can provide services and care to patients enrolled in Braven Health plans at the in-network level of benefits. Braven Health members will have Braven Health member ID cards. You can also check eligibility and benefits on the DeCare provider portal.

What is Braven Health?

Braven Health, an affiliate of Horizon Blue Cross Blue Shield of New Jersey, offers affordable Medicare Advantage health plans with access to the Horizon Hospital Network and the Horizon Managed Care Network. Braven Health's individual plan options are offered to New Jersey's Medicare-eligible population who live in any of the state's 21 counties.

Braven Health plans will include dental health benefits.

Because you participate in the Horizon Dental Traditional Network, your existing provider agreement now includes Braven Health.

For more information about Braven Health dental benefits, please call **1-855-648-1405**, weekdays, from 8 a.m. to 8 p.m, Eastern Time.

Thank you for your network participation and for welcoming the new Braven Health members.
